Engine(s): Diesel

Engine(s) HP: 2 X 60 hp

Engine Model: LOMBARDINI

Hours: 4500

Cruising Speed: 7 kts

Max Speed: 9 hp

Tankage

Fuel: 2 X 300 Lts

Water: 2 X 450 Lts

Amenagement interieur / Interior Layout and Amenities

Amenagement customisé: 2 coins salons dans le carré, table cockpit sur le côté, bimini en dur... Vaigrages neufs, l'ensemble du bateau est en très bon état.

The owner did a custom layout, which makes this Privilege pretty comfortable: 2 tables + sofas in the saloon, easy access to the central cabin, new upholstery on the walls... In the cockpit, a large table is on the side, allowing an easy passage. With a hard top bimini, and many upsized parts, this boat is perfect as a live aboard for a safe and long voyage. A recent survey (nov 2008) status the great state of this boat.

- 5 cabines doubles
- 4 toilettes (4 WC électriques)
- 5 douches
